

Eco-friendly *checklist*

→ Simple ways to reduce waste before, during and after your move

- ☐ Bring only what you need
- ☐ Dejunk and declutter your home in the months before you move
- ☐ Sell items and research charities for donations
- ☐ Raid your linen closet and the recycling bin to wrap fragile items
- ☐ Repurpose furniture for your new space
- ☐ Plan ahead and start saving boxes and packing materials
- ☐ Rent reusable boxes
- ☐ Use suitcases, duffle bags, tote bags etc. to move items
- ☐ Ask friends for extra secondhand packing materials
- ☐ Use eco-friendly moving supplies
- ☐ Buy necessary moving supplies locally
- ☐ Opt for eco-friendly cleaning supplies
- ☐ Hire an environmentally conscious moving company
